

## BRIGHT FUTURE SCHOOL

### School Notice

Classes: Jr.Kg- Std.X

No.:2020-21/001

Date: 02/06/2020

Dear Parents,

Hope all our parents, students and their families, are healthy and safe. After a long, abrupt break we are now looking forward to restart the teaching-learning process.

This unprecedented situation has made us relook and rethink our approach towards life and of course education. These challenging and uncertain times have made us realize how futile and fragile the best of planning can be. Our outlook and entire purpose of education stands redefined today. However, as educators and students we must embrace the change with optimal resources and move ahead. No doubt there will be pitfalls and roadblocks, but you and us together, must work to ensure beneficial outcomes.

Our focus must now shift from exam-oriented study to the bigger picture- life and learning. With this as our primary aim, we will begin online sessions for students tentatively from third week of June. Apart from covering the prescribed curriculum, we will also facilitate sessions by experts on wide ranging topics. Detailed instructions will follow.

#### Study Material-

For the thorough understanding of content, the need of textbooks and notebooks is irreplaceable. Hence, we have decided to home deliver the student kit till school re-opens for students who have paid the fees for the next academic year. Tentative delivery time will be 5-7 working days on receipt of payment. The delivery of kits will begin from 5<sup>th</sup> June 2020. The kit will include textbooks and notebooks. The remaining items will be given when school re-opens.

#### Online classes:

1. Students are expected to have a smartphone/laptop/computer with good internet connectivity.
2. On payment of fees, student will receive a mail in **Message Center** on Rite school App. Kindly reply to the same to register for online classes.
3. Subject teachers will upload a pre-recorded video of a lesson. Students can listen to the same at their own convenient time. (This is to ensure that all siblings get adequate time to study if they have only one internet connected device.)
4. Notes will be uploaded on school App. Students are expected to write them down in the school classwork notebook.
5. Students can mail their doubts to the teacher through Rite school App message center.

#### Office Timings:

1. The school office shall remain closed as per the directives of the State government.
2. However, parents can call on the school number between 11 am-1 pm on working days for any query or clarification.
3. Alternatively, queries can be mailed addressed to the admin.
