Tree Plantation Drive

Dear Parents,

The Government of Maharashtra has organized a Tree Plantation Drive for the students and parents known as “**Ek Ped Maa ke Naam**”. Hence we encourage all parents and students to participate and support this initiative. Let's work together to promote a greener environment for our community.

Note:

Parents are requested to plant a sapling along with their child and take a photograph of the activity and send the photo on Rite School App through the message center option. Last date for submission will be Monday 10/08/2026.

Your support and participation will contribute to a cleaner and healthier environment for our children.
